

Lethbridge Soaring Club Inc.

Introductory Membership Agreement and Training Record (six-pack)

I understand and agree that in order to receive gliding instruction in a glider operated by the Lethbridge Soaring Club, I must obtain an Introductory Membership and complete the required *Waiver of Liability*.

I further understand and agree that I may receive gliding instruction involving up to six (6) instructional flights with a certified club instructor. If, at any time during or following this introductory training, I apply for and qualify for a regular Membership in the Lethbridge Soaring Club, upon payment of all applicable joining and membership fees, the Club agrees to apply this training time toward the requirements of a Canadian Glider Pilot License. The instructional time may then become a permanent part of the *Student Progress Log* training record maintained by the Club and may be logged in a *Glider Pilot Logbook*.

I further understand and agree that the costs associated with the Introductory Training Agreement are to be prepaid or paid on each day that training is provided, according to the following schedule:

Introductory – one (1) introductory flight as provided plus five (5) regular training flights – Note: aerotow fees will be additional. If six flight membership is purchased on the same day as the first flight and this membership form is filled out, a reduced fee applies.

I further understand and agree that the flights of this six-pack are intended exclusively for the purpose of **my own** gliding instruction, and **none** of these flights are transferrable for anyone else's use.

I hereby make application for Introductory Membership in the Lethbridge Soaring Club and agree to abide by the Club's rules and regulations.
